Zenith Academy North

A decorative graphic featuring three stars (yellow, blue, and red) on the left, a magnifying glass at the top right, and a red circular object at the bottom right, all arranged around a central white circle.

Zenith Academy North's Vision is to integrate who we are with who we will become. When we are successful as a community, we are no longer a minority.

I would like to welcome everyone back to school and extend a special welcome to all of our new students and their families, plus the new staff joining our team. The staff and I are looking forward to another exciting year of learning at Zenith Academy North.
