

ZENITH ACADEMY SCHOOLS
WATER BOTTLES FILLING STATIONS ANNOUNCEMENT,
2023-2024 SCHOOL YEAR

July 19 2023

Ohio EPA Awarded Grants to Zenith Academy Schools to Install Water Bottle Filling Stations in all campuses. The objective is to promote the “Three Rs” – Reduce, Reuse, and Recycle. We encourage staff and students to use refillable water bottles to help reduce the use of single-use plastic bottles and keep more plastic waste out of landfills.
